CMPT 276 - AI Disclosure Form - Spring 2025

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

16. Please explain your ratings above, especially if you have AI tools for "other" types of work. *

We did not copy any information from chatgpt, we only asked it to help find us different API's for the project, and from there we just picked and choosed. We also asked it for the type of information the API gave us which we checked over ourselves, but this helped us get a general idea of what we could do features wise.

17. Please provide use this space to provide any other information that you'd like to disclose (optional)
